

Ravinia Business District Parking

The City is proposing extending the Ravinia Business District on-street parking restriction (June 1 through September 15) from the current two-hour parking, 8am to 9pm, to 8am to 10pm. This change is intended to protect Ravinia Business District patron parking from Ravinia Festival overflow parking during large concert events. We are seeking neighborhood input before bring this matter back in front of the Intra-City Parking Commission. Please send comments to rna@ravinianeighbors.org and stay tuned for future meeting information.
