Expand Your Network at RNA Events & Meetings

- We host community forums on hot topics like school referendums, new building designs and issues affecting your household
- Hundreds of neighbors gather at fun RNA events like "Neighbors Night Out" at local restaurants, the Ravinia Block Bash held in Jensen Park, and our 100th anniversary celebration of the Ravinia Village House in Ravinia School
- Regular RNA Board Meetings are held on the first Thursday of every other month to offer our members a chance to bring up new ideas and discuss issues you care about

Take Action!

- We are active at every level of local government, giving our members a voice at City Hall and beyond
- The RNA has a seat at the table, with input on local policy changes and representation, of the Ravinia Business District Advisory Group
- We advocate on issues affecting your household and our vibrant business district, such as the proposed school reconfiguration, the development of Rosewood Beach, and the formation of a Tax Increment Financing (TIF) district to fund improvements in the business district, just to name a few

Be a Part of Ravinia's History & Future

- The RNA successfully helped community groups restore Jens Jensen Park to its original design
- We pushed for the 2003 renovation of Ravinia's historic train station and continue to bring needed repairs to the city's attention
- We support local non-profits like the HP Historical Society, Moraine Township Food Pantry, Community Partners for Affordable Housing, and the Ravinia Garden Club
- RNA members have volunteer opportunities on projects that will shape the future of the neighborhood.
